BPUB Suspends Service Disconnections until April 30

To support its customers during the coronavirus (COVID-19) outbreak, the Brownsville Public Utilities Board (BPUB) will suspend service disconnections to electric, water and wastewater residential and commercial customers until April 30, 2020.

BPUB is working diligently to protect its customers and employees during the COVID-19 pandemic. While the BPUB offices are closed to visitors, there are still numerous ways to make payments, including mailing a check, paying by phone and making an online payment. BPUB is also ready to respond to issues unrelated to bill payments either by phone or online. Unless instructed otherwise by the state or federal government, BPUB will not forgive payments. During the suspension period, monthly bills will be mailed out to customers with monthly payments as usual.

BPUB is encouraging the community to practice social distancing by making account inquiries or payment arrangements online or by phone to help flatten the curve of COVID-19. BPUB will continue to monitor this public health event and will make any operational changes as appropriate to ensure continuity of service for all BPUB customers during this time.

For more information, customers can call 956-983-6121 from 7:30 a.m. to 5:30 p.m. Monday through Friday or visit the website at www.brownsville-pub.com, Facebook at <https://www.facebook.com/brownsvillepub> or Twitter at https://twitter.com/BPUB_Tweets.

UNEMPLOYMENT

1. Texas Workforce Commission

If your employment has been affected by the coronavirus (COVID-19), apply for benefits either online at any time using Unemployment Benefits Services or by calling TWC's Tele-Center at 800-939-6631 from 8 a.m.-6 p.m. Central Time Monday through Friday.

TWC is experiencing an increase in call volumes and hold times on our Tele-Center phone lines. You are encouraged to use our online claim portal, Unemployment Benefits Services (UBS), to handle your claim needs quickly. UBS is available 24 hours a day, seven days a week. We also encourage you to sign up for Electronic Correspondence so you can receive your TWC communications online as soon as possible.

TWC will investigate why you lost your job and mail a decision explaining whether you are eligible for unemployment benefits.

*Note: Extended Benefits (EB) and Disaster Unemployment Assistance (DUA) are not available at this time.

Apply online at <https://twc.texas.gov/jobseekers/unemployment-benefits-services>.
You can also call TWC's TeleCenter at 800-939-6631 between 8 a.m.- 6 p.m. however there will be an increase in call volumes.

SOCIAL CARE NETWORK

Aunt Bertha's network connects people seeking help and verified social care providers that serve them.

Thousands of nonprofits and social care providers serve their communities. But for most people, navigating the system to get help has been difficult, time consuming, and frustrating. Too many Americans are suffering, and they don't need to.

So at Aunt Bertha, we created a social care network that connects people and programs — making it easy for people to find social services in their communities, for nonprofits to coordinate their efforts, and for customers to integrate social care into the work they already do.

HEALTHCARE

If you're feeling sick

Healthcare providers are encouraging all patients experiencing flu-like symptoms to first use mobile apps or visit websites that have been set up for COVID-19 response. For your safety and convenience telehealth resources are available.

Before scheduling an appointment with your healthcare provider or walking into a clinic, urgent care center or hospital it is recommended that you use one of these or similar services listed below.

1. Telehealth with Baylor Scott & White.
Visit their website or to install the app on your mobile device, simply text BETTER to 88408 to have it sent to your phone. No appointment is needed.
2. Telehealth with Ascension.
Visit their website to download the app. Use the code HOME for a \$20 cost per visit, and no appointment is needed. Ascension Texas has established a COVID-19 hotline 1-833-919-1680, available 6 a.m. – midnight. The hotline is staffed by registered nurses who will respond to public questions and implement the most up-to-date screenings and protocols to guide patients to the most appropriate care setting, including staying at home and/or virtual options.
3. Telehealth with MDLive.
Visit their website to sign-up for a free account.
4. Telehealth with TelaDoc.
Visit their website to set-up an account or download their app. The cost of a Teladoc visit depends on your health plan, with everyday care costing less than \$49.

5. Telehealth with HeyDoc. Visit their website to download the app. A visit on HeyDoc costs the patient between \$10 and \$50.
6. If you need help finding a doctor or accessing medical care, dial 2-1-1, then choose Option 6 or call toll-free at 877-541-7905 or visit www.211texas.org. Hours: 7:00 a.m. – 8:00 p.m., 7 days per week. As recommended by the Centers for Disease Control and Prevention (CDC), all visitors will be screened prior to entering the eligibility office. Individuals who are symptomatic will be given a paper application and instructions on how to complete the application by mail, fax or email the Texas Department of State Health Services - <https://www.dshs.texas.gov/coronavirus/>

Kajeet SmartBus™

Guide for Students & Parents

WHAT DOES THE SMARTBUS™ DO?

The Kajeet SmartBus is a Wi-Fi router that provides your child with safe, education-only Internet access while riding the school bus.

Your child will be able to access the Internet on the school bus to complete homework, read online materials, collaborate with classmates, or connect with teachers. Your child will not be able to access any entertainment, adult, or inappropriate content.

HOW IS THE SMARTBUS FILTERED?

The router is filtered with Kajeet Education Broadband™. These cloud-based filters provide your child with safe, education-only Internet access.

WHAT INFORMATION CAN THE SCHOOL TRACK WITH SMARTBUS?

The SmartBus routers are provided by your school for your children to access the Internet for **educational purposes only**. No private information (such as student name, login information, account numbers, etc.) is collected or retained, however the school will have the capability to track device usage trends such as what sites are visited and data usage.

WHY CAN'T I GET TO CERTAIN WEBSITES?

Kajeet filters out non-educational sites. Your school district may also be filtering out social and streaming media to keep students focused on school work. Kajeet Education Broadband adds another level of security with filtering policies that block harmful content such as websites containing malware, viruses, proxies, and phishing.

STUDENT INTERNET SAFETY TIPS

- 1 Never respond to harassing or rude texts, messages, and e-mails.
- 2 Never give out your password to anyone other than your parent or guardian.
- 3 If you wouldn't say something to another person's face, don't post it online!
- 4 Think before posting your photos. DO NOT post or send semi-nude or nude pictures of yourself or anyone else!
- 5 Never post your personal information such as cell phone number, address, or the name of your school online.
- 6 Be aware that information you give out through any website could put you at risk of bullying or other types of victimization.
- 7 Never agree to meet in person with anyone you first "met" online.
- 8 Be aware that posting information about your friends puts them at risk.
